

NORMAN ROCKWELL ELEMENTARY

June 2020

"Nothing great was ever achieved without enthusiasm."
Ralph Waldo Emerson

Dear Fourth Grader and Families:

We enthusiastically welcome you to the fourth grade. You will learn a lot this year!

These are the supplies required for fourth grade. (To help you start the year off organized and prepared, please bring supplies to our meet and greet or on the first day of school.)

Quantity	Item
1	1G USB drive
1	Set of earbuds, for listening assignments on netbooks
1	Set of colored markers
1	Set of colored pencils
1	School box or pouch for desk (no larger than 5 1/2" X 9" X 4") Also, please, no lock and key varieties. Simple is better!
2*	Boxes of Kleenex (we will store in classroom) - optional
1*	Container of disinfectant-type wipes for desks and surfaces - optional
1	Book your child is currently reading
1	1 check made payable to Norman Rockwell for \$35. Many of the supplies we use in 4th grade will be bought with this money. This includes the agenda, dividers, binders, spirals, composition notebooks, clipboards, pencils, correcting pens, glue sticks, highlighters, copy paper, and other school supplies.
Below are <u>optional</u> items—they are not needed for everyday use	
1	Portable mouse for net books, if desired (some kids find the track pad too small)

Please initial with Sharpie as many individual-use items as you can so ownership is never in question. Items marked with an * will be collected and distributed throughout the year on a communal basis, so please don't initial those.

We look forward to meeting you, and promise you lots of fun and learning!

Sincerely, 4th grade team

Mrs. Thome, Ms. Hein, & Mrs. Long.
