

June 2020

Dear Third Grade Beagles,

We enthusiastically welcome you to the 3rd grade, and hope you are looking forward to a challenging and successful school year as much as we are!

Since we had such a unique ending to our last school year information about the fall will continue to come out throughout the summer. At this time we are unsure of when and how we will be hosting "Back to Business" which is where checks for your student's supplies are typically turned in. However we have Back to Business day, you may write a single check even if you have multiple students, but lunch account checks must be separate. This will be your time to fill out all the necessary paperwork prior to the start of the school year.

Here is what you will need for "Back to Business" day:

- A check for \$35 for school supplies
- Necessary Medications
- Completed Paperwork

Once all of your paperwork has been completed and submitted there, students will receive their teacher assignments.

We look forward to meeting you and your family either during a physical open house or virtual. The First Day of School is scheduled for Tuesday, September 1st! On the first time we meet or the first day of school, please have your student bring their school supplies with them (see reverse).

Third grade is a challenging but FUN year! We cannot wait to begin the school year with your student. But until then, have a wonderful summer!

Sincerely,

The Third Grade Team

Third Grade Supply List

Third grade supplies are divided in three categories for your convenience and savings:

1. Supplies in the shaded region are shared – they will be collected from each student on the first day of school and distributed throughout the year.
2. Supplies in the unshaded regions can be labeled with your child's name and will stay with your child through the school year.
3. A \$35 check pays for subject folders, spiral notebooks, composition books, homework calendars, black flair pens, red flair pens, highlighters, glue sticks, #2 pencils, lined paper, erasers, reams of copy paper, and other materials for special projects throughout the year. By ordering in bulk from a school supplier, we save your family over \$30!
