Third Grade Supply List

Third grade supplies are divided in three categories for your convenience and savings:

1. Supplies in the shaded region are for the classroom – they will be collected from each student on the first day of school and distributed throughout the year.
2. Supplies in the unshaded regions can be labeled with your child's name and will stay with your child through the school year.
3. Classroom Supply Fee \$35 Classroom supply fees allow for teachers to purchase bulk supplies for their students at a reduced cost to families. Families may contribute to the classroom supply fund with a suggested amount of \$35. Checks may be made payable to Norman Rockwell Elementary School. For families that would like to contribute more than the suggested amount, the excess funds will go to our Student Support Scholarship fund. For families that would like to request financial support, full and partial scholarships are available. For scholarship information, please contact our school counselor, Kristin Bauer: kbauer@lwsd.org
