Classroom supply fees allow for teachers to purchase bulk supplies for their students at a reduced cost to families. This fee is for school-provided supplies including subject dividers, pencil pouches, glue sticks, spiral and/or composition notebooks, pocket folders, pencils, flair pens, sharpies, highlighters, erasers, white board markers, science supplies, and an agenda.

Please **DO NOT** send any additional supplies with your student that are not listed above – we just don’t have the storage space!

Families may contribute to the classroom supply fund with a suggested amount of \$35. Checks may be made payable to Norman Rockwell Elementary School. For families that would like to contribute more than the suggested amount, the excess funds will go to our Student Support Scholarship fund. For families that would like to request financial support, full and partial scholarships are available. For scholarship information, please contact our school counselor, Kristin Bauer: kbauer@lwsd.org

The fifth-grade classrooms each have a class set of scissors, rulers, clipboards, and protractors so students will *not* need to bring those items this year.

We are looking forward to meeting you all in the fall.

Sincerely,
Your Fifth Grade Teachers:

Kim Honkawa, Jolene Shadle and Mary Kay Weinmeister
